

Intro LAm - Si7 - Mim x2

LAm Si7
 By / the meeting of the roads
 Mim
 I just fell to my knees
 Do Si7 Mim
 When I knew I had to make a choice
 LAm Si7
 It's a shame you said
 Mim
 That I may never know
 Do Si7 Mim
 How far I can sometimes go
 Do Si7 Mim
 How far I can sometimes go

Sol LAm Mim
While my boat is drifting away
 Sol LAm Mim
By the shore of Miami Bay
 Ré
I'm still trying to figure out
 Si7 Do Si7 Mim
The end of what-I-was starting to say... (x4 fin)

LAm Si7
 And you found all the footprints
 Mim
 That I left in the lawn
 Do Si7 Mim
 When I spied on you every night
 LAm Si7
 And I wish there was a secret
 Mim
 That you said in your sleep
 Do Si7 Mim
 Just a word that I could keep
 Do Si7 Mim
 Just a word that I could keep

Refrain

LAm Si7 Mim
 And I wish I was a comet to crash on your field
 LAm Si7 Mim
 Just to be remembered
 LAm Si7 Mim
 And I wish I was a comet to crash at your feet
 LAm Si7 Mim
 Just to be remembered !
