

I Want You (en DO) Dylan Do Mim Lam Sol **[Harmonica]** Do

Do Mim  
The guilty undertaker sighs, The lonesome organ grinder cries,  
Lam Sol  
The silver saxophones say I should refuse you.  
Fa  
The cracked bells and washed-out horns  
Sol  
Blow into my face with scorn,  
Lam  
But-it's not that way,  
Sol  
I wasn't born to lose you.

Do Mim  
I want you, I want you,  
Lam Sol  
I want you so bad, Honey  
Do  
I want you.

Do Mim  
The drunken politician leaps Upon the street where mothers weep  
Lam Sol  
And the saviors who are fast asleep, They wait for you.  
Fa Sol  
And I wait for them to interrupt Me drinkin' from that broken cup  
Lam Sol  
And ask me to open up the gate for you. **REFRAIN**

Mim  
Now all my fathers, they've gone down,  
Lam  
True love they've been without it.  
Mim  
But all their daughters put me down  
Fa Sol  
'Cause I don't think about it.

Do Mim  
(Well I) re-turn to the Queen of Spades And talk with my chambermaid.  
Lam Sol  
She knows that I'm not afraid To look at her  
Fa Sol  
She is good to me And there's nothing she doesn't see.  
Lam Sol  
She knows where I'd like to be But it doesn't matter. **REFRAIN**

Do  
Now your dancing child with his Chinese suit,  
Mim  
He spoke to me, I took his flute.  
Lam Sol  
No, I wasn't very cute to him, Was I?  
Fa Sol  
But I did it, because he lied Because he took you for a ride  
Lam Sol  
And because time was on his side And because I...

Do Mim  
I want you, I want you,  
Lam Sol  
I want you so bad, Honey  
Do  
I want you. **[Harmonica...]**
