

Sol Lam

I would say I'm sorry

Sim

Do

If I thought that it would change your mind

Sol Lam

But I know that this time

Sim

Do

I have said too much been too unkind

Sim Lam

I-try to laugh about it

Sim Lam

Cover-it all-up with lies

Sim Lam

I-try to laugh about it

Sim Lam

Hiding the tears in my eyes !

Sol Lam Sim Do Do/Sim/Lam/Sol

'Cause boys don't cry

Sol Lam Sim Do Do/Sim/Lam/Sol

Boys don't cry !

Sol Lam

I would break down at your feet

Sim Do

And beg forgiveness plead with you

Sol Lam

But I know that It's too late

Sim Do

And now there's nothing I can do

Sim Lam

So I-try-to laugh about it

Sim Lam

Cover-it all-up with lies

Sim Lam

I try-to-laugh about it

Sim Lam

Hiding the tears in my eyes !

Au refrain

Sol Lam
I would tell you that I loved you
Sim Do
if I thought that you would stay
Sol Lam
But I know that it's no use
Sim Do
that you've already gone away

Sim Lam
Misjudged your limit,
Sim Lam
i pushed you too far
Sim Lam
i took you for granted,
Sim Lam
I thought that you needed me more !

Sol Lam
I would do most anything
Sim Do
to get you back by my side
Sol Lam
But I just / keep on laughing,
Sim Do
Hiding the tears in my eyes !

Sol Lam Sim Do Do/Sim/Lam/Sol
'Cause boys don't cry
Sol Lam Sim Do Do/Sim/Lam/Sol
Boys don't cry !
